The camp is open to all registered Scouts and Scouters.

All Troop Contacts please email fallscoutcamp@victoriascouts.ca **as soon as possible** to indicate whether you will attend and your approximate numbers. This is not the full registration form (see below); this is for planning purposes and camp supply purchases. Your name will be added to the email tree so you get all camp information. The sooner you pre-register, the sooner you may receive valuable planning information. You will receive a reply email, generally within 24 hours. If you do not get an acceptance email, you are not on the email tree, so keep trying.

This camp is a skills camp; this means Scouts and Scouters are encouraged to learn together, to gain the skills necessary for a fun and successful Scout year. There will be some points awarded for competition portions of the camp (because everybody loves a challenge) but the points will focus on Scouting Spirit and teamwork. The completion of a task is less important than how the Scouts work on the task. Camp skills will revolve around usual Scout camping aspects, including:

- The 10 essential items
- Fire Building
- Knots and Lashing

Some of the challenges will include: campsite pioneering crafts, cooking challenge, and weekend time management.

Troop Scouters: please register using the Event Registration Form located at <http://www.victoriascouts.ca/documents/registrationforms/eventregform.pdf>

Registration forms and fees are due by October 9th.
